REDWATER HIGH SCHOOL
REDWATER, TEXAS

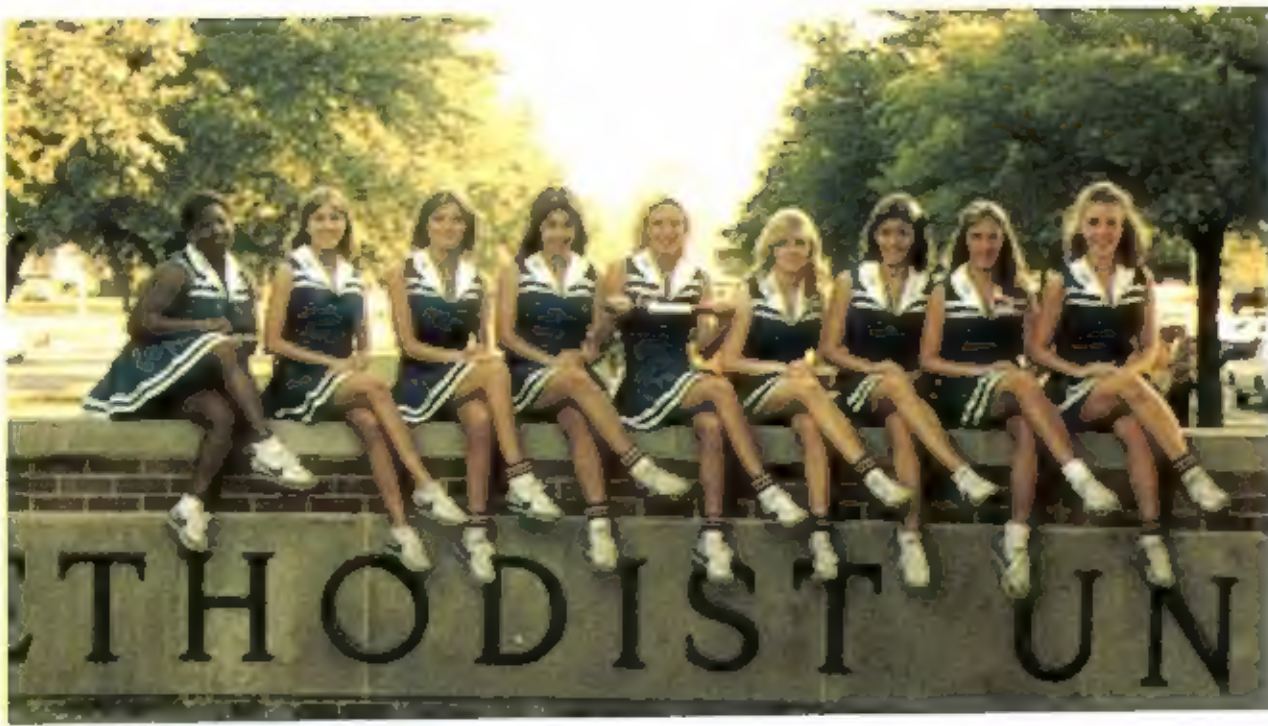

A black and white photograph of a body of water, possibly a lake or a wide river. In the foreground, on the left side, there is a dense clump of tall, thin grasses or reeds that lean over the water. The water is calm, reflecting the light from the sky. In the background, a distant shoreline with some trees or hills is visible under a bright, hazy sky. The overall mood is serene and contemplative.

The 51st annual Spring Festival was held Saturday night, May 2, 1981. The festival started with the royal procession, ending with Tracy Hamilton, escorted by Gary Tompkins, being crowned Queen.

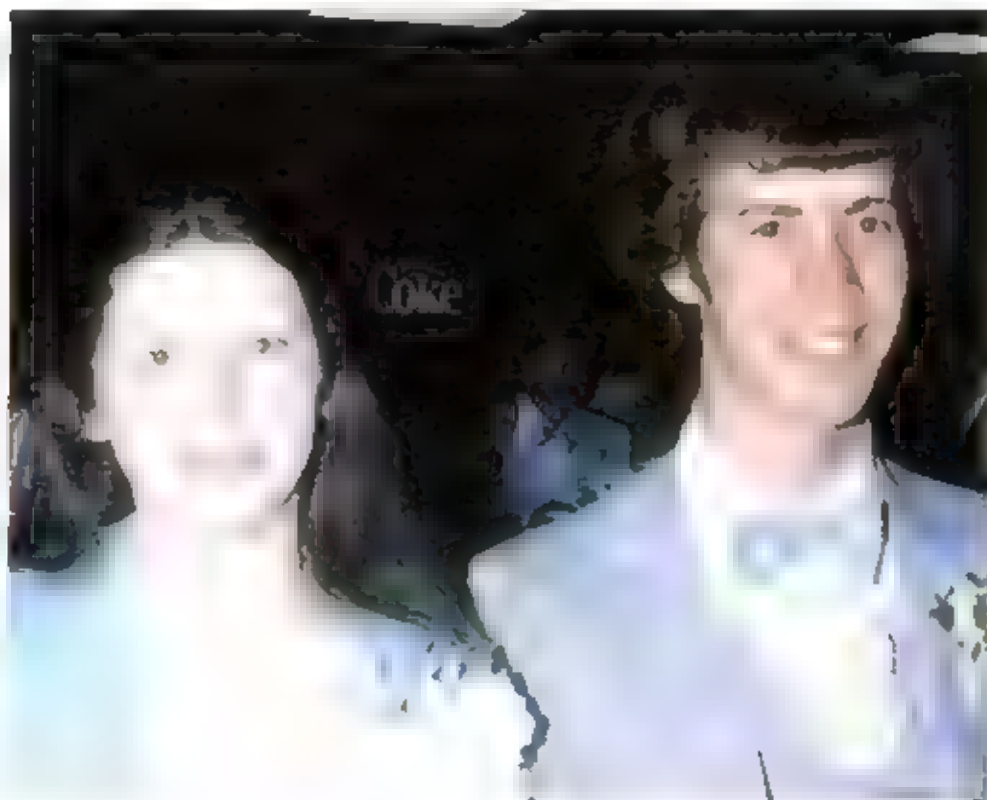

This was followed by a variety of colorful entertainment provided by grades K-5. The 5th grade carried out the traditional winding of the Maypole. Jr. Hi. and High School entertained the crowd with old-fashioned square dancing. The festival was a great success.

19 — Senior Trip — 81

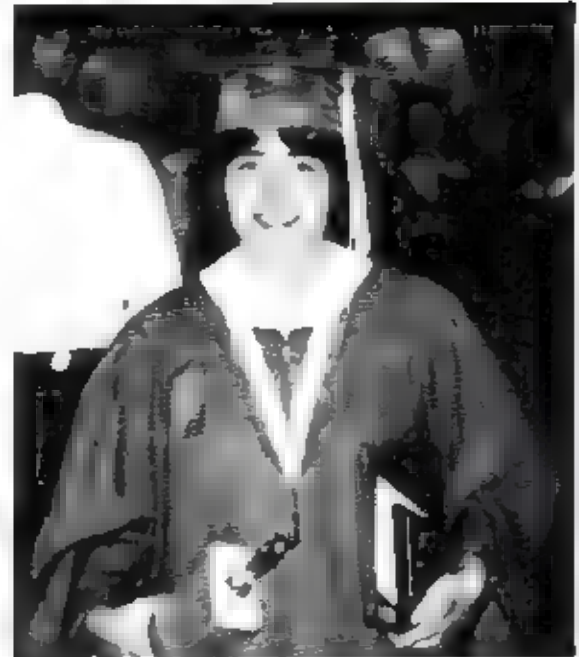

Through the '80-'81 school year, the Seniors spent lots of time and effort raising money for their Senior trip. Among their activities were a chili supper and auction and a bowl-a-thon. They finally reached their goal.

On May 6, they left for their fun-filled trip. They traveled to Austin, TX, visiting the Capital and other interest points. May 8, they headed for home, stopping at Six Flags for Sr. Night.

This was a very memorable trip for the Seniors.

19 — Senior Graduation — 81

The top ten graduates of Redwater High School 1981 were Mike Cheatham, DiAnn Culpepper, Hoss Pickard, Terry Shafer, Fragoulis Lorentziadis, Ken Smith, Robyn Fagan, Donna Stotts, Ginger Berry, and Kay Green.

Baccalaureate service was 8:00 p.m. Sunday, May 17, in the high school cafetorium with Adrian Maynard, Minister, Nash Church of Christ as the speaker.

Commencement exercises were Friday, May 22 at 8:00 p.m. in the cafetorium. The speaker was William Garner, Pastor, Immanuel Baptist Church, Texarkana, Ark.

The ushers were Debbie Jordan, Jeff Bonner, Tanya Dailey, and Steve Crawford.

The class song was "My Way" by Elvis Presley.

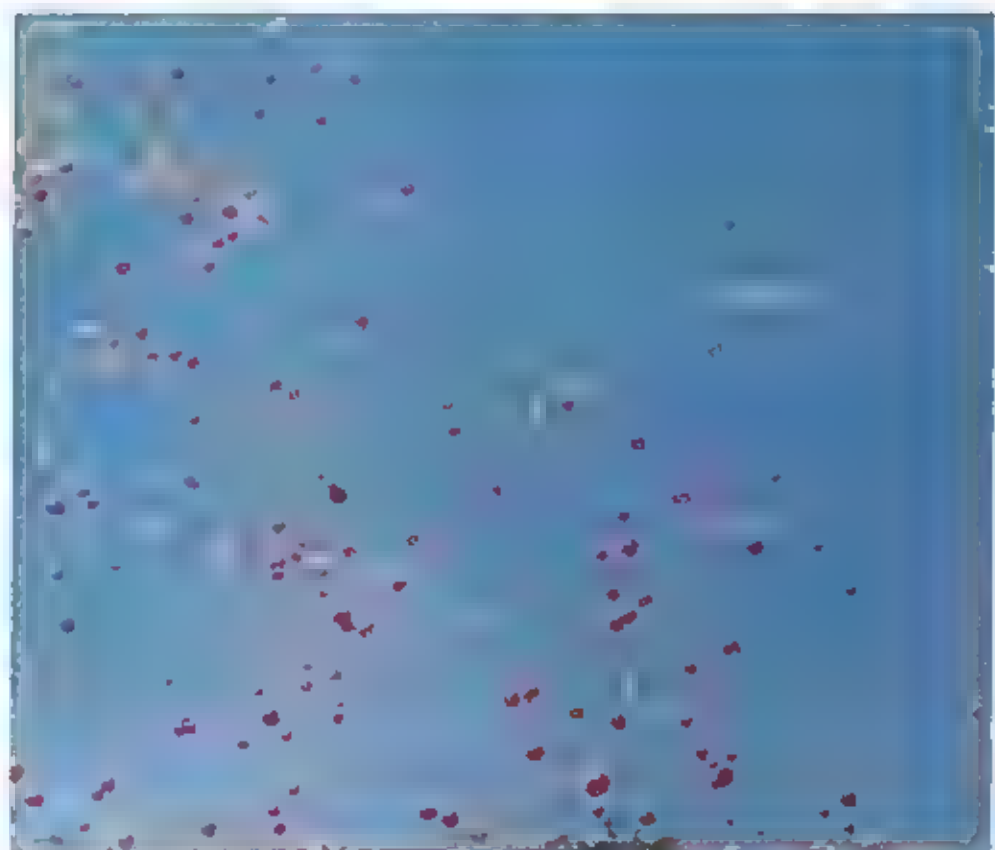

Children who do not READ grow up to be adults who can't. That is why there is RIF.

RIF is a national non-profit program that makes kids want to read. Thousands of local community projects help kids help themselves to books.

Each child in Redwater Elementary School was given four balloons to turn loose Wednesday, May 20, 1981. Each balloon represented books received this year.

In one balloon was the name and address of each child so that those who found the balloon would write to the sender of the balloon. The student who received the letter from the greatest distance was Shaun Walraven, whose balloon traveled to the Bahamas.

PROUD AND TRUE '82

Reflections

Four years — For some it seemed an eternity, for others, just days of good times. But, all agree, it has been an experience!

From our first day of high school (when we were all timid and shy) to the day of graduation, we knew we would be "The Class of '82." We had come to leave our mark on R.H.S.! As four years slid by us, we lost many of our friends, but new faces soon replaced them.

Thinking Back . .

Our freshman year is filled with memories of pep rallies, football games, and the excitement that being in high school brings. Our football team placed third in district that year. We were the largest class ever to roam the halls of Redwater High, and probably the loudest. But most outstanding, we remember 1979 as "the year the gym burned." Even though the structure was destroyed, we were left with a lot of good memories, and new hopes and dreams for the future came with the building of a new gym.

We returned the next year as sophomores — still on the bottom half of the totem pole, but climbing upward slowly and surely. This was a year for changes at R.H.S. We moved into the new high school! Along with the difference in surroundings came other changes. All in all, the advantages (like air conditioning, new furniture and equipment, a new library, more room, and vending machines) outweighed the disadvantages (closed campus and stricter rules to protect the new building). Also came the announcement that dances would once again be allowed at Redwater. This was one privilege of which we immediately took advantage.

Another summer passed and once again R.H.S. halls were filled with people. We were really busy our junior year. The big thing that year was raising money for the prom and banquet. We had a car wash and rummage sale which was fun and raised lots of money. Also, we showed films. (Who else could think up ways to raise money and get out of class at the same time?) The date was set for May 15, and we worked right up until the last minute to make this prom and banquet a success. The theme of the big night was 'Love is in the Air,' and the student center and cafeteria were decorated to resemble a spring night. These decorations included hundreds of paper flowers (hand made by the juniors, of course!) The night finally arrived, and everything went smoothly. We had a good time, and we left it looking forward to our senior year and wondering what it would hold.

Our senior year! Even while changing interests, directions, and ideals we all grew closer — bound together by the knowledge that this is the last year we will have each other. Graduation has been set for May 21, and the senior trip is still in planning. We have had a bowl-a-thon to raise money, and traditionallly, we decorated the Christmas tree. We look back on our four years here, and they've been good, but we must remember to look forward. What will happen in the future is yet to be seen. As the years go on, our paths will separate, and the stories will unfold in our separate lives. We've shared four years — but more than that, we've shared our lives with each other.

Thank you, Redwater High, for allowing us to grow within your walls and learn the meaning of independence.

Football is a skill. It takes someone who can do his best and want to do it. It takes someone who cares about his school and respects it with pride. It takes someone who can put out his best effort and lose a game, but still have the courage to get back up and play again.

To you, Dragons, you've got what it *takes* to be the best.

This is the Redwater Pee Wee Football teams' fourth year in action! Boys in grades 3-6 played against other boys their age in our area. This year both of Redwater's teams did a great job. The third and fourth grade team won in their zone and played in the "Superbowl."
